

# Little Shaker Eggs

(Counting Song)

3 little shaker eggs, rolling in our drum they're having so much fun

1 shaker egg said "I gotta run", before the day's all done

JUMP (spoken)

2 little shaker eggs, rolling in our drum they're having so much fun

1 shaker egg said "I gotta run", before the day's all done

JUMP (spoken)

The last shaker egg said "I gotta run", before the day's all done

JUMP (spoken)

*I use a drum or tambourine. I have done this song with up to 10 shakers! You can also have the kids clean up during the song by having them make the eggs jump into the bag or container where you keep them stored. Happy counting!*
